For Immediate Release

**ALPHA AVIATION INC NOW OFFERING
REAR SEAT SHOULDER HARNESSSES**

Alpha Aviation, Inc. is proud to announce the addition of several Rear Seat Shoulder Harness kits to their extensive 3-Point Diagonal Shoulder Harness Restraint product line.

These kits fit Cessna 100 & 200 series and a select number of Piper PA-28 & PA-44 aircraft utilizing OEM installation data, parts & hardware, or parts that have been PMA'd by Alpha Aviation, Inc.

Alpha Aviation, Inc's Rear Seat Shoulder Harness Installation kits are sold with everything required for the installation of 2 center or aft seats, unless noted otherwise, and are available with fixed strap (manually adjustable) or inertial reel equipped 3-point diagonal (single strap) harnesses. Stock colors are Black, Cruiser Gray and Fawn (Tan). Other colors are available by special order. All restraint assemblies include; shoulder harness, new lap belt with buckle & end fittings, 8130-3 airworthiness certificate & certificate of conformance.

Alpha Aviation, Inc.'s 3-point diagonal (single strap) restraint assemblies are manufactured by AmSafe® and are FAA approved meeting TSO-C114.

The following is a comprehensive list of the rear seat shoulder harness kits currently available and the eligible serial numbers. For easy location at AlphaAviation.com, please enter the search term for the Kit # exactly as shown in the right column, or visit the Rear Harness Guide at AlphaAviation.com under New Installations, Rear Seat; <https://alphaaviation.com/rear-harness-guide-by-model-serial/>
